Understand the Behavior of your Site audience well

The screenshot shows the Google Webmasters homepage. At the top left is the 'Google Webmasters' logo. Below it are navigation links for 'Home', 'Support', 'Learn', and 'Connect'. The main visual is an illustration of a woman in a white shirt and dark apron sitting at a desk with a laptop. To her left is a speech bubble containing a Google search interface with several search results. Below the illustration is a video player with a red play button icon and the text 'View an introduction to Search Console'. To the right of the illustration, there is a large heading: 'You want to be found on the web. We want to help.' Below this heading is a paragraph: 'Track your site's search performance with Google Search Console and browse around for more webmaster resources.' At the bottom of this section are two buttons: a green 'SEARCH CONSOLE' button with a right-pointing arrow, and a blue 'GET HELP' button with a right-pointing arrow.

"Ask me anything.. I'll do my best!"

Hello, how can we help?

How much does it cost to add to my site?

support

It was #13532
Mel - 15:23

Ah, yeah. That was solved yesterday, everything alright?
anis - 15:24

Yeah, client just said they're very impressed by the response speed of our support team!
Mel - 15:27

Yay!
